RE: Written Comments on Tariff Bill S. 3159
A bill to suspend temporarily the duty on Gibberellic Acid

Dear Sir/Madam:

Nufarm Americas, Inc. respectfully submits through counsel the following written comments in support of S. 3159, to suspend temporarily the duty on gibberellic acid.

Gibberellic acid, a plant growth regulator that delivers critical crop characteristics for the American fruit growing industry and the consuming public, is not produced in the United States. Despite the absence of any domestic competing product, duties are imposed on imports of these products, which duty then is passed on to U.S. consumers in the U.S. agricultural market. To eliminate these unnecessary and avoidable manufacturing costs to its customers, Nufarm America's urges that S. 3159 be included in the 2007 Miscellaneous Tariff Bill.

Respectfully submitted,
